Director

Prof. Pramod Dere (M.A English)

Our "Mission" is to provide best learning environment for the students, so they can develop in this competitive world. We also provide **Digital classrooms** to our students.

Introduction

- Vidhyashri has been set up by academicians who are extremely passionate about education and believe in more than just teaching.
- We are dedicated to improving quality of education currently being imparted to students who are about to choose their future careers
- We believe in mentorship, in facilitating our students in taking important career decisions and helping them grab most of the opportunities that lies in front of them.
- We enable our students to achieve their career goals and realize their potential.
