

QUESTION NO 3 . SPEECH WRITING=4

Q.1 Prepare a short speech to be delivered before your class on "Eye Donation

Friends, I would like you to shut your eyes for a moment ---- . What do you see ? ,Nothing --- , only darkness ! How long did that darkness last ? Only a moment ! Can you imagine that darkness lasting forever and ever and ever 'that my friends is what blindness is all about. Today they call it 'Visual Impairment. Can we help to alleviate this problem ? Are you aware of the number of blind in India alone Friends, we who are blessed with the gift of vision should do something. It is our social responsibility to try to reduce these numbers and -the only way we can do that is by Donating our Eyes. "All you have to do is fill up a format _the nearest eye bank and when you are dead they Will collect your eyes so that somebody else can see Friends, you can also help by joining voluntary organizations to promote Friends, you can bring light into the world of the visually impaired. You don't have to deprive yourself of Spread the word, create an awareness, persuade people to commit themselves anything. Only be generous in your death. to this act of charity. ' If you love humanity you will pledge your eyes

Q. 2. As a class representative of your class, 'prepare a speech on the importance of Blood donation. [most imp]

Ans. Friends, our culture teaches us to donate. Do you know that a drop of blood can save a life ? People lose much blood due to accidents, diseases, wars or major surgical operations. Many of them die as they do not get blood on time. You should remember that even excessive blood can prove to be fatal After donating blood, we do not become weak. In fact our body makes 85 replaces the blood within a few weeks. Any physically fit man & woman between 18 to 45 can donate blood for 2 or 3 times in a year. You will come to know about the fatal diseases if you have any as your blood is exam- ined/checked. You will get a certificate also. You may use it to get the blood when it is much needed. A Friends, think of thousands of people in India who die due to the lack of blood. Who are they ? Are they not your brothers and sisters? Do you want them to die ? If not, who will donate blood for them? Come forward and donate blood. The man who receives your blood will bless you.
Remember --BLOOD DONATION ISOLIFE DONATION

The coronavirus COVID-19

Friend's

The coronavirus COVID-19 pandemic is the defining global health crisis of our time and the greatest challenge we have faced since World War Two. Since its emergence in Asia in 2019, the virus has spread to every continent except Antarctica.

We have now reached the tragic milestone of more than two million deaths, and the human family is suffering under an almost intolerable burden of loss.

“The climbing death toll is staggering, and we must work together to slow the spread of this virus.” - UNDP Administrator Achim Steiner.

But the pandemic is much more than a health crisis, it's also an unprecedented socio-economic crisis. Stressing every one of the countries it touches, it has the potential to create devastating social, economic and political effects that will leave deep and longstanding scars. UNDP is the technical lead in the UN's socio-economic recovery, alongside the health response, led by WHO, and the Global Humanitarian Response Plan, and working under the leadership of the UN Resident Coordinators.

Every day, people are losing jobs and income, with no way of knowing when normality will return. Small island nations, heavily dependent on tourism, have empty hotels and deserted beaches. The International Labour Organization estimates that 400 million jobs could be lost.

The World Bank projects a US\$110 billion decline in remittances this year, which could mean 800 million people will not be able to meet their basic

* Q. 3 Prepare a speech on the 'need of tree-plantation'. ('How to Save our Environment' i) Pollution - a big problem 5 ii) Causes of pollution iii) Trees- their role in environment

Ans. Dear friends, Trees are our lungs. They play very important role in our life. They help us in many ways. Trees keep the air clean & maintain the level of oxygen. Now a days, pollution has become a big problem. We are suffering from the problem of global warming. Do you know, why the level of air pollution has gone up ' Simply because more and more trees are being cut. Deforestation causes pollution 85 threatens the existence of many species of life. Without trees we can't live longer. They heighten the beauty of landscape & provide us with medicines, fruits, food & many more things. They help us to get rain. They stop soil erosion . Tree must be protected from the axe I can say save tree save life
Jai hind !. Jai Bharat!

Write speech on Cleanliness Drive carried out in your village.

Speech On Cleanliness

Good morning everyone. Today's topic is cleanliness. I have chosen this topic as it is very essential in everyone's life and society.

Cleanliness helps in maintaining a good personality and building a great impression in society. Also, it gives rise to a positive attitude by keeping the soul, mind, and body peaceful.

Maintaining cleanliness is an essential part of a healthy and happy life as it helps in improving the personality by keeping clean internally and externally. Personal cleanliness is referred to as the symbol of purity, Whereas purity of soul and body is crucial for a healthy and spiritual connection.

* Q. 4 Imagine you have to give speech on the topic 'India's Changing Villages'\village life and city life \ruler development \ real India lives in its village . Working in pairs/ groups prepares a draft of the speech and present it. –[imp]

Ans. India's Changing "Villages Honorable president and chief guest of the program, respected chief guest, principal, teachers and parents as well as my friends. Today our college has arranged an elocution competition on the topic 'India's Changing ~ Villages'. I am speaking a bit. Please listen quietly. India is a land of villages. 80% people live in villages. He had suggested to develop them in four major sectors - hygiene, social life, economic field and political awareness. In the beginning villages were storage of hindrances and problems They were looked after by the Panchayat which was helpless in solving their problems. If a Saipanch of Gram Panchayat is studious, he/she can implement various schemes.. So we should also live in village and make it 'heaven'. My time is over. So I give full stop to my speech. Thank you for listening my speech quietly. Jai Hind! Jai Bharat!

8. Prepare a speech to be delivered on the occasion of "Teachers Day" .[imp]

Today we have gathered here to celebrate Teachers' Day. We celebrate it in the memory of our honorable former president Dr. Sarvapalli Radhakrishnan. it is birth anniversary of Dr. Sarvapalli Radhakrishnan. He had wished to celebrate it as Teachers' day. Teachers have a vital role to play in our life. Whatever we learn, we learn from our teachers. They are the architect of our life. They not only give us knowledge but also develop our personality. We are very grateful to them. We should try to follow them in our life and practice their teaching in life. Thanks.

15] A speech on "Importance of Sports

Respected chief guest, honorable headmaster, teachers and dear friends I personally believe in the saying "healthy mind dwells in a healthy body". In the world of tensions man must be playful. This playful attitude should take shape right from the childhood. So, sports must get its due weight in the school curriculum. Road to Olympic victory goes through schools. Sports are important in school and college life. Sports have moral influence on us. They are very necessary in life. Development of a personality is incomplete without games and sports. They are useful for the growth of our mind and body. Sports need physical efforts as well as imaginative power. Sports teach us how to face defeats. Sports make us healthy, sociable, amiable, humble, large-hearted and tolerant.

13]. Prepare a speech on "Traffic Awareness".

Honorable guests, respected teachers and my dear friends. Today we have gathered here to organize traffic awareness program According to data available the rate of deaths in road accidents in India is 14 per 10,000 population. Only China is ahead of India in this respect. Can we not make efforts to reduce the figures ? Surely, we can. As you know, my friends, one of the major causes of road accidents is not following traffic rules. Speedy driving, risky overtaking, disregarding the signals and signs lead to road accidents of vehicles. Let us take a pledge to follow traffic rules strictly. Let us join hands to make people aware of traffic rules. Thank you.

Speech on Republic Day

Republic Day Speech/Essay Sample Respected Principal, Teachers, Guests and dear fellow students, Good Morning, As you know, today all of us are here to celebrate the 72nd Republic Day of our country today. Every year, we celebrate Republic day on 26 January because the Constitution of India came to force on this day in 1950. This day reminds us of our freedom struggle and how the great freedom fighters of our country sacrificed their lives to get us the - Purn Swaraj. It's because of their struggle that today we are living in a democratic country where each citizen has right to - (i) right to equality, (ii) right to freedom, (iii) right against exploitation, (iv) right to freedom of religion, (v) cultural and educational rights, and (vi) right to constitutional remedies. Today is the day to reaffirm our commitment to unity in diversity, fraternity and equality among all our citizens. I would like to wind up my speech followed by a moment of silence for the great leaders and freedom fighters who sacrificed their lives so that we can live in a democratic nation. Thanks again for giving me an opportunity to speak in front of you all.

Jai Hind!

In Independence Day Speech English

Independence Day Speech – We celebrate Independence Day as the national festival of India. The Day marks the anniversary of national independence from the British Empire on 15th August 1947.

Furthermore, it is the most auspicious day for the people of India because India becomes independent after lots of hardships and sacrifices of the brave Indian freedom fighters.

From that day onwards 15th August become a very important day in Indian history and in the hearts of every Indian. Also, the entire nation celebrates this day with the full spirit of patriotism.

After the independence, Pandit Jawaharlal Nehru was chosen as the first Prime Minister of India. Moreover, he unfurled our tricolor flag at the Red Fort in the national capital, New Delhi for the first time.

From there onwards, every year we celebrate Independence Day at Red Fort New Delhi. In addition, the army performs many tasks that also include a march past cultural programs by school students.

In addition, we celebrate Independence Day to remember the lives that we sacrificed to gain this freedom. As they are the ones who struggled for our country. Furthermore, on his day we forget our differences and unites as one true nation should.

FAREWELL SPEECH FOR STUDENTS BY TEACHER

Good morning to the respected Principal sir, Vice-Principal sir, my colleagues and dear students. It is a very special day when we are giving a farewell party to our students of class 12th standard of batch 2021

Today on 15th of March we have gathered here in huge number to bid farewell to the group of young students after spending almost 12 years in this school. They have been waiting for many years to go outside and join the college, and see, finally, the day has come here to break their long time wait and leave the school's portals in order to give them chance to step into a new world of college.

Thank you

Earth Day 2020: When and Why World Earth Day is celebrated?

Friends,

Earth Day 2020: The theme for Earth Day 2020 is climate action. The Earth day is observed on 22 April every year. Earth Day was founded by American senator Gaylord Nelson for environmental education. This day commenced on April 22, 1970, and in 2020 we are observing 50 years of its inception. Mahatma Gandhi once said that "nature has enough resources to fulfill the needs of the human being but it can't fulfill the greed of the humans".

As scientific innovations are taking place around the world, the pace of environmental degradation is also increasing. So to increase the awareness about the environmental degradation some individuals and institutions have come forward for this good cause.

Earth Day was founded by American senator Gaylord Nelson in the form of environmental education. This day commenced on April 22, 1970 and today more than 1 billion people in 192 countries of the world are celebrating Earth Day.. Earth Day is now a global event each year; it is the largest civic-focused day of action in the world.
